Govt firm on securing justice for Zubeen: AG

GUWAHATI, Nov 6: Assam Advocate General, Devajit Lon Saikia, on Friday said the state government was pursuing the Zubeen Garg death case with determination and urged people to keep faith in the judicial process as the Supreme Court deferred hearing on a set of connected bail matters.

Saikia said the Supreme Court would now take up on November 30 the bail pleas of Shyamkanu Mahanta and Siddharth Sharma, along with the Assam government's petitions challenging the bail granted to co-accused Amritprabha Mahanta and Sandipon Garg by the Gauhati High Court.

Speaking to the media here, the Advocate General said the hearing on Friday could not proceed as the connected petitions involving the two other accused were not taken up by the apex court.

"The state government is making every possible legal effort to ensure justice for Zubeen Garg," Saikia said, adding that the government had placed its position before the Supreme Court.

He said the state had also informed the apex court that the trial in the case was progressing on a day-to-day basis.

Highlighting the government's stand, Saikia said the two key accused, Mahanta and Sharma, had remained in custody for more than a year.

"Generally, accused persons in cases of this nature get bail within three months. However, the accused in this case have remained in jail for over a year," he said.

According to the Advocate General, the prolonged custody reflected the seriousness with which the Assam government was pursuing the case before the courts.

Saikia appealed to the people of Assam to maintain confidence in the judiciary and assured that the state government would continue its efforts to secure justice.

The Supreme Court's decision to hear all four connected matters together on November 30 is expected to bring the key bail-related issues in the high-profile case before the court. (IANS)

Sharp decline in maternal sepsis deaths in state

STAFF REPORTER

GUWAHATI, NOV 6: Assam recorded a sharp decline in maternal deaths attributed to sepsis, with the share falling from 21 per cent in July 2026 to 8 per cent in October 2026 following strengthened infection prevention and control measures across public healthcare facilities.

Recognising the progress, the Union Ministry of Health and Family Welfare invited Assam to share its infection-control model with other states reporting high maternal deaths due to sepsis. The state was scheduled to present its experience during a virtual discussion on November 6.

The State Health and Family Welfare Department introduced Standard Operating Procedures (SOPs) for Infection Prevention and Control (IPC) and a digital Infection Prevention and Control Mechanism (IPCM) monitoring portal. Health and Family Welfare Minister Ashok Singhal formally launched the initiatives.

The SOPs covered labour rooms, maternity operation theatres, postnatal wards, Special Newborn Care Units and Newborn Stabilisation Units to improve hygiene, minimise hospital-acquired infections and ensure safer care for mothers and newborns.

The IPCM portal enabled real-time monitoring of cleaning activities, autoclave quality control, microbial surveillance, Hospital Infection Control Committee activities and facility-wise compliance. It also helped identify gaps and ensure timely corrective measures.

Singhal commended doctors, nurses, frontline health workers and the National Health Mission team for their efforts and reiterated the government's commitment to strengthening infection prevention, early detection and effective treatment.

SSA suspends Shiksha Setu services

STAFF REPORTER

GUWAHATI, Nov 6: The Shiksha Setu Axom application will remain temporarily unavailable from the evening of November 7 to November 11, 2026, owing to a scheduled data migration to a new server as part of the ongoing infrastructure upgradation.

According to an official notice issued by Samagra Shiksha Assam (SSA), all services available through the application will remain non-functional during this period. These include attendance marking and other related activities used by schools, teachers and education department officials.

The server migration is being undertaken to upgrade the system infrastructure and improve the application's operational framework.

The notice stated that normal services of the Shiksha Setu Axom application are expected to resume from November 12, 2026.

All concerned officials, heads of institutions, teachers and other stakeholders have been requested to take note of the scheduled downtime and make necessary arrangements accordingly.

HC quashes detention of rights activist

STAFF REPORTER

GUWAHATI, Nov 6: The Gauhati High Court on Friday quashed the preventive detention of indigenous land rights activist Pranab Doley under the National Security Act (NSA), 1980, citing procedural lapses and violations of constitutional safeguards.

A Division Bench set aside the detention order, observing that the grounds cited for invoking the stringent law lacked proximity and that mandatory procedural requirements had not been complied with. Advocate Dipesh Kumar Agarwala, who appeared for Doley, confirmed the development. However, a copy of the detailed judgment was not immediately available.

Doley was arrested in Guwahati on July 13 following his participation in a protest against a proposed five-star hotel project at Ingle Pathar village near Kaziranga National Park. He was subsequently lodged in Golaghat District Jail. He was granted bail on July 29 in connection with a case relating to the protest held in June. However, the Assam government invoked the NSA against him the following day, resulting in his continued detention.

The preventive detention order was issued under Section 3(2) of the National Security Act, 1980, directing that Doley remain lodged in Golaghat District Jail.

Doley had been at the forefront of protests against the proposed hotel project near Kaziranga National Park, a UNESCO World Heritage Site. He and other activists had raised concerns over its potential impact on the region's fragile ecology, as well as the land rights and livelihoods of indigenous communities living around the protected area.

His detention had drawn criticism from several indigenous organisations and international groups, which expressed solidarity with the activist and questioned the use of preventive detention laws against those campaigning for land and environmental rights.

Second instalment for Haj by November 30

STAFF REPORTER

GUWAHATI, Nov 6: Provisionally selected pilgrims for Haj 2027 (1448 Hijri) from Assam and other states have been asked to deposit the second instalment of Rs 1,25,000 per pilgrim by November 30, 2026.

The Joint State Haj Committee for Assam, Meghalaya, Nagaland and Mizoram, informed that the Haj Committee of India issued a circular and said that the payment has to be made in accordance with the guidelines for Haj 2027.

The selected pilgrims can deposit the amount through the e-payment facility available on the official website of the Haj Committee of India (https://hajcommittee.gov.in) or through the Haj Suvidha App using credit card, debit card or net banking.

Alternatively, pilgrims can deposit the amount at any branch of the State Bank of India or Union Bank of India using the specified pay-in-slip and the Bank Reference Number allotted against their respective cover numbers. The circular also clarified that the unique Bank Reference Number provided to each cover must be mentioned in the deposit receipt.

It further stated that the third and final instalment of the remaining Haj amount would be determined after the finalisation of all expenses to be incurred in India and the Kingdom of Saudi Arabia. The amount will be notified separately in due course.

The committee has urged all selected pilgrims to complete the payment within the stipulated deadline, warning that failure to deposit the second instalment by November 30 may result in cancellation of their Haj seats. It may be recalled that provisionally selected pilgrims were earlier required to deposit the first instalment of Rs 1,52,300 as advance Haj amount.
