KOZHIKODE

Wayanad Prakruthi Samrakshana Samithi (WPSS) president N. Badusha has been selected for the seventh environmental award instituted by the Dr. Kamarudeen Foundation for Biodiversity Conservation (KFBC).

The award, instituted in memory of Kamarudeen, a noted environmentalist and former Reader in the Department of Botany at the University of Kerala, carries a cash prize of ₹25,000, a citation, and a plaque.

Mr. Badusha, a conservationist, is known for his efforts to protect Wayanad's ecology and ecological heritage.

KFBC officials said this year's award was intended to recognise selfless environmental activists who had made exemplary contributions to biodiversity conservation and enhancement through their own efforts, without relying on government support or official facilities. In recognition of his contributions, Mr. Badusha was unanimously selected for the 2026 award, they said.

The award will be presented in a function to be held at Kariavattom in Thiruvananthapuram on November 13.

Senior citizens' panel reviews 33 complaints

KOZHIKODE

The Kerala State Senior Citizens' Commission reviewed 33 complaints during a grievance redressal sitting held at the collectorate conference hall here on Monday. The sitting was led by Commission Chairman K. Somaprasad and member Amaravila Ramakrishnan.

Addressing the media, the Chairman said that a majority of complaints pertained to family disputes, primarily involving children failing to provide proper care and maintenance for their elderly parents.

Other key issues raised during the sitting included delays in receiving pensions, non-refund of deposits made in co-operative banks, failure of contractors to complete works after receiving payments, and tenants refusing to vacate houses even after the expiry of lease agreements.

The Commission emphasised the urgent need to form voluntary committees across all police station limits, as mandated under the Maintenance and Welfare of Parents and Senior Citizens Act, 2007. While Maintenance Tribunals headed by Revenue Divisional Officers (RDOs) are currently functional under the Act, the Commission noted that there were significant delays in disposing of pending petitions.

Mr. Somaprasad said the Commission had recently convened a meeting of Revenue Divisional Officers to address the issue. The Commission subsequently recommended that the State government post dedicated staff at Revenue Divisional Offices to expedite the disposal of cases before the tribunals.

Responding to public complaints about reckless driving and violations of road safety rules, the police have intensified checks to ease congestion and ensure smooth vehicular movement across Kozhikode city. As part of a special enforcement drive conducted on November 6 and 7, action was taken against motorists found obstructing the designated free-left lanes at key intersections.

According to official sources, fines were imposed on 207 vehicle owners for blocking free-left lane, while warning notices were issued to 75 motorists.

During the crackdown, the police also booked 34 individuals for drunk driving and 13 for reckless driving. The police took action in connection with 104 vehicles found parked illegally along highways. They also recorded 665 other traffic violations. A total of 26 vehicles were impounded, nine persons were arrested, and six cases were registered against minors caught driving.

District Police Chief (Kozhikode city) A.P. Shoukathali said parking or halting vehicles in the free-left lane, which is reserved exclusively for left-turning vehicles at junctions, would not be tolerated.

To encourage public participation, the police have urged citizens to report traffic violations by sharing photographs and video clips via WhatsApp at the dedicated helpline number 9747001099.

Traffic diversions in Kozhikode for Cheruvannur flyover works

The Hindu Bureau
KOZHIKODE

The Kozhikode city police have announced comprehensive traffic restrictions and route diversions in connection with the placement of the second-phase girder for the Cheruvannur flyover construction project.

The restrictions came into force from 10 p.m. on November 9 and will remain in effect until 9 p.m. on November 12, during which time all regular traffic through the construction route will be completely barred.

Under the temporary measures, heavy vehicles, including lorries, containers, and multi-axle buses, must strictly travel via the Vengalam-Ramanattukara NH 66 route, while vehicles heading towards Valiyangadi and Kozhikode Beach are directed to use the Vengalam Beach Road.

All vehicles arriving from Malappuram and Kondotty must turn right at Ramanattukara airport road junction and enter Kozhikode city via Pantheerankavu and Thondayad. Similarly, vehicles travelling from Thrissur and the Calicut University areas must access the city via Pantheerankavu and Thondayad on NH 66. For motorists travelling from Kadalundi, Beypore, and Chaliyam, the designated route to the city goes via Feroke Chukkum, Feroke College, Azhinthilam junction, Pantheerankavu, and Thondayad. All vehicles travelling out of Kozhikode city towards Malappuram and Thrissur are required to proceed via Thondayad NH 66. Besides, traffic moving from Beypore and Meenchantha towards Feroke has been diverted via Arikkad, Olavanna, and Pantheerankavu, while vehicles heading from Palayam, the Beach, and the railway station towards Feroke must travel via Mankavu, Mathra, and Pantheerankavu.

Bus services across the region have also been restructured for the duration of the works. Long-distance buses arriving from Palakkad and Thrissur will stop at the Ramanattukara bus stand before entering the city via NH 66 through Pantheerankavu, whereas KSRTC long-distance buses serving the Thiruvananthapuram, Ernakulam and Kasaragod routes must operate exclusively via NH 66.
