Forester writes to rlys, wants speed limit at 30 kmph

CONTINUED FROM PAGE 1

"The animal had suffered injuries to its head in the collision," Rajmohan said. An autopsy was conducted in the presence of representatives of the National Tiger Conservation Authority (NTCA) and the chief wildlife warden, in accordance with the NTCA guidelines. Forest department veterinarians Dr Manoharan and Dr Santhakumar, along with local veterinarian Dr Sivakumar from Puliyarai, conducted the examination," the DFO added.

"The scene and autopsy procedures were documented through photographs and videos. The tiger's carcass was cremated at the spot in the presence of the officials and designated representatives," the DFO added.

Railway activist R Pandiaraja told *TNIE*, who has been collecting data on train-animal collisions across the country for 10 years, said that Tenkasi district had witnessed a major wildlife death of this nature for the first time. "The particular stretch of the railway track has not witnessed any major animal deaths, including those of elephants. As far as tiger-related accidents are concerned, this is the first such incident in TN," he claimed. Asked about the corrective measures his administration would take to prevent such accidents in the future, he said that he had written to the Railways, seeking a reduction in the speed limit from 60 to 30 kmph along the stretch during night hours.

Chidambaram temple: SC stays HC order on management panel

SUCHITRA KALYAN MOHANTY @ Delhi

THE Supreme Court on Wednesday in its interim order granted a stay on a Madras High Court's decision that had directed the administration of the Chidambaram Natarajar Temple to be handed over to a five-member committee.

A bench comprising Justices Arvind Kumar and Vipul Pancholi, hearing an appeal filed by the Dikshitars, stayed the HC's October 30 order and issued notices to the respondents—including the Tamil Nadu government and the Hindu Religious and Charitable Endowments (HR&CE) Department—seeking their response in the matter.

"Having heard the arguments presented by the counsel for both sides, we have reached the conclusion that the impugned judgment should be stayed," said the apex court.

The issue in the case is related to whether devotees should be permitted to ascend the 'Kanakasabha' (a raised platform) at the Chidambaram Natarajar Temple for darshan (worship). This has evolved into a conflict between the devotees' right to worship and the Podhu Dikshitars' (the hereditary priests/administrators) right to manage the temple.

The 'Kanakasabha' is a raised platform located in front of the sanctum sanctorum of Lord Natarajar, where certain rituals are traditionally performed. Complaints had been raised regarding the denial of permission for devotees to ascend this platform for worship.

Following an inquiry into these complaints, the Cuddalore Collector recommended in 2022 that devotees be allowed to ascend the Kanakasabha for worship. Based on this, the Tamil Nadu government issued a Government Order (G.O.) on May 17, 2022, granting permission for devotees to access the Kanakasabha for darshan.

However, the Podhu Dikshitars–who hold the hereditary right to manage the temple–challenged this in the Madras HC, arguing that the government order infringed upon their right to manage the temple's religious affairs. They argued based on Article 26 of the Constitution and cited the 2014 Supreme Court judgment that had entrusted the temple's administration to the Dikshitars.

In its judgment delivered on October 30, 2026, the Madras HC upheld the 2022 Government Order (GO) that permitted darshan from the Kanakasabai. The court stated that the GO does not interfere with the rituals performed by the Dikshitars; rather, it merely regulates the system for public darshan.

CoP summoned over SSI smoking near TN shrine

MADURAI: The Madurai Bench of Madras High Court on Wednesday summoned the Madurai City Police Commissioner on a PIL which alleged lack of proper action against a special sub inspector of police, who was found smoking cigarette while in uniform at a police checkpost in the vicinity of Meenakshi Sundareswarar temple during the consecration ceremony on October 16.

A bench of justices P Velmurugan and KK Ramakrishnan gave the direction on the PIL filed by A Radhakrishnan of Salem challenging the closure of his complaint over the above incident. He also sought direction to the government to undertake preventive measures to ensure police discipline across TN.

Radhakrishnan stated in his petition that he witnessed the above incident and warned the SSI to stop smoking. Despite his warning, the policeman continued to smoke, he alleged. Since the incident caused him great anguish, he lodged a complaint against him through the control room the same day. *ENS*

HC tells registration dept not to register 3,085 acres of inam land in Karur dist

EXPRESS NEWS SERVICE
@ Madurai

HEARING a batch of PILs challenging the state's decision to unblock the restriction against registering 3,085 acres of inam lands connected to four temples in Karur district, the Madurai Bench of the Madras High Court on Wednesday directed the registration department not to register the lands.

A bench of justices P Velmurugan and KK Ramakrishnan gave the direction by taking serious note of the allegations made by the litigant, A Radhakrishnan of Salem, that despite the pendency of the PIL, steps were being taken to register a portion of the lands on Wednesday. Radhakrishnan alleged that the above lands were protected from unlawful alienation through a 'prohibitory module' under Section 22-A of the Registration Act, 1908. However, the Karur collector issued an order on July 9, recommending that these lands be unblocked following representations from 3,390 individuals.

Based on this, the HR and CE commissioner and other authorities compelled the fit persons of the four temples to withdraw their requests for prohibition, rendering the above lands vulnerable to alienation without any statutory sanction, he added. Stating that the above orders infringe upon the property rights of Minor Idols, he requested the court to quash the orders.

Vijay had opposed entrance test for veterinary courses

CONTINUED FROM PAGE 1: The CM had earlier opposed extending entrance tests to veterinary admissions. In an August 7 letter to PM Narendra Modi, Vijay sought permission for states to continue admitting students to the Bachelor of Veterinary Science and Animal Husbandry course based on Class 12 marks or under their own admission policies. The letter came after the Veterinary Council of India proposal to introduce a common entrance examination or use the NEET-UG 2026 merit list for admissions from 2026-27. Vijay opposed both, arguing that the existing system gave rural, government-school and students from economically weaker sections an equal opportunity.

ED searches premises linked to BLM founder in Chennai

EXPRESS NEWS SERVICE
@ Chennai

THE Enforcement Directorate (ED) on Wednesday conducted searches on several premises linked to R Premkumar, founding member and chairman of Bharath Lajhna Multi State Housing Co-operative Society (BLM) in Chennai and across Kerala in connection with an alleged money laundering case. He was recently arrested in Chennai.

In Chennai, searches were conducted at Koyambedu, Virugambakkam, Vepery, Lakshmipuram and Vanagaram, sources said. Premkumar allegedly diverted several crores of rupees collected from depositors into bank accounts belonging to his family members and acquired around 500 acres of land in TN. The suspected proceeds of crime are estimated to exceed ₹80 crore, based on allegations in the Kerala Crime Branch FIR.

Meanwhile, BLM denied the allegations against Premkumar, claiming its former CEO Naveen had filed an affidavit before the Kerala HC stating the complaint arose out of a misunderstanding.
