HC raps UP Police, says civil liberties in state shameful

FOR REPRESENTATION ONLY

PRAYAGRAJ: Strongly criticising Uttar Pradesh Police over unlawful detention and repeated instances of non-availability of CCTV footage, the Allahabad high court has said that the civil liberties situation in the state is shameful and that police have little regard for citizens' rights.

With this observation, a division bench of Justice Atul Sreedharan and Justice Achal Sachdev in its November 3 order allowed a habeas corpus writ petition and directed that the petitioner—Afzal Ahmad of Bijnor— be set at liberty forthwith, if he is not wanted in any other case. The court also directed the state to pay Rs 20,000 as costs to him within seven days.

The court said the police appear to have little regard for the fundamental rights, adding that the infringement of these rights seems to have become routine for the UP police. The court also held that the police could not use the excuse of CCTV malfunctioning in a case of alleged unlawful detention.

The petitioner claimed that he was taken into custody by Bijnor Police on September 5, 2026, but his formal arrest was shown only on September 7.

The petitioner's daughter alleged that police personnel and SOG officials in civvies forcibly took her father away from outside Bijnor's Nagal police station where both had gone after police called them regarding a case lodged against Ahmad alleging honey trap.

According to the petition, they reached the police station at around 2:30 PM on September 5. While they were in their vehicle and had contacted the SHO, a car entered the premises near the police station gate. Four people allegedly came out of the vehicle, surrounded their car and forcibly took Ahmad away.

To ascertain the veracity of the allegations, the high court had earlier directed the state to produce CCTV recordings of the police station from September 5 (from 1 PM) until September 7 (till 10 AM).

However, when the matter was taken up, the state informed the court that the CCTV footage for the said period was unavailable. The state relied on a general diary entry dated September 5, which stated that a thunderstorm occurred and water trickled down the rain cable into the CCTV system, causing it to malfunction and fail.

Taking a serious note of it, the court observed, "In case after case whenever CCTV footage are called for by this court, in large majority of the cases, it is the same report which comes stating that CCTV footage is not available on account of one reason or other."

On CCTV malfunctioning, the court said any such explanation would be sufficient for it to accept the petitioner's contention that the corpus had been unlawfully detained and that the CCTV footage was deliberately withheld to obfuscate the truth maliciously.

The court also said that Nangal's SHO Annu Kumari had deliberately not provided the CCTV footage.

Recording its displeasure against the SHO, the court directed that the same be entered into her service records. It further said that the state should consider her further continuation on the current post.

HC: Govt teachers can be assigned election-related duties as BLOs

Jitendra Sarin
letters@htlive.com

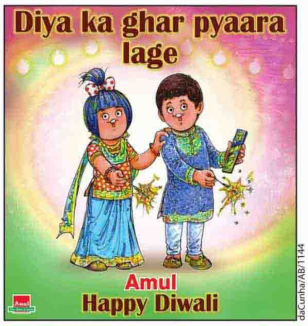

The Allahabad high court has observed that government teachers can be assigned election-related duties as booth level officers (BLOs), including work pertaining to preparation, revision, correction of electoral rolls, special intensive review (SIR), etc.

A single judge bench of justice Vinod Diwakar referred to section 27 of the Right of Children to Free and Compulsory Education Act, 2009 (RTE Act), which expressly permits the deployment of teachers for election-related duties and that BLO duties fall within this exception.

Making this observation, the high court dismissed a writ petition filed by Azra Parveen and four others, working as assistant teachers at junior/senior schools in Saharanpur. They had challenged their deployment as BLOs.

Rejecting the petitioners' contention that their deployment violated Article 21-A (right to education) of the Constitution, the court said the petitioners failed to show that their assignment as BLOs prejudiced their teaching duties or the education of children. The petitioners had sought a direction to the authorities to detach them from their duties as BLOs and restrain them from interfering.

The petitioners' contention was that there was no provision in the terms and conditions of their service under which they could be assigned BLO duties. They further argued that such deployment was contrary to Article 21-A of the Constitution, read with the provisions of the RTE Act and the Rules framed thereunder. Finally deciding the issue, the HC noted that section 27 of the RTE Act expressly permits the deployment of teachers for election-related duties and that BLO duties fall within this exception. Therefore, finding no ground to entertain the petition, the high court dismissed the writ petition.

Woman boxer found dead in Knp; kin allege murder

KANPUR: A 26-year-old state-level woman boxer and gym trainer, whose body was found in a pool of blood beside the Kanpur-Prayagraj national highway on Friday, was identified by her family as post-mortem house on Saturday. Suspecting murder, the family has named her boyfriend as a suspect.

The deceased, Mantasha Kumari, lived in Ikhlaq Nagar under the Gangaghat police station area of Unnao.

Her parents, Sanjana and Prem Kumar, and other relatives broke down on seeing her body at the mortuary.

According to the family, Mantasha left home around 5 pm on Thursday to buy clothes and other items for Diwali from Lal Bangla market in Chakeri, Kanpur. She did not return, and her mobile phone was switched off around 7 pm.

After failing to trace her, the family lodged a missing person complaint with Gangaghat police on Saturday.

Police informed them that the body of a young woman had been recovered in Kanpur, following which they rushed to the post-mortem house and identified her.

The body was found on Friday morning near Maholi cold storage turn on the highway, within Maharajpur police station limits.

Mantasha was the youngest of three siblings.

After completing Class 12, she took up boxing and trained under her father, a former boxer and gold medallist. She won a state-level gold medal and later worked as a gym trainer at several places.

At the time of her death, she was employed at Fusion Fit gym in Jajmau.

Her father said she had undergone surgery around two months ago after a lump was detected in her uterus and had stayed away from the gym while recovering.

She had started stepping out again only two days before going missing. She usually travelled to Lal Bangla on her scooter but took an auto-rickshaw on Thursday as she was still unwell.

Prem Kumar told police that a young man who trained at the gym had become acquainted with his daughter and visited her several times in hospital during her illness.

He suspects the man may be involved in her death.

Unnao circle officer (city) Vini Singh said a missing person case had been registered on the family's complaint.

Further action would depend on evidence collected from the spot, forensic examination and the post-mortem report, she said.

Gangaghat police in Unnao are investigating the missing person case.

3 killed, 11 injured as bus carrying 60 passengers rams truck in Kushinagar

LUCKNOW: Three passengers, including a three-year-old girl, were killed and 11 others injured after a bus carrying around 60 people from Delhi to Bihar rammed into a truck while overtaking it in Kushinagar in the early hours of Saturday, police said.

Two passengers died on the spot, while a third succumbed to injuries during treatment, Kushinagar additional SP Siddharth Verma said.

The deceased girl was identified as Nandini, 3, daughter of Pawan, a resident of Taryal Chhiram village under Taraya Sujan police station limits. Her father was among the injured. The identities of the two other deceased men, aged around 40, were yet to be established. Four critically injured passengers were referred to the district hospital. Three of the injured were Nepalese nationals, Ravindra Nagar police station SHO Amit Kumar Singh said.

The accident occurred around 4:30 am near Labaniya village under Tamkuhi Raj police station limits, around 45 km from the district headquarters. The bus, operated by Shiva Travels, was travelling from Delhi to Muzaffarpur in Bihar. Many passengers were heading home for Diwali and Chhath celebrations.

According to police, the bus collided with the rear portion of a truck while attempting to overtake it. The impact badly mangled the front portion of the bus. The truck driver fled with his vehicle.

SHO Amit Kumar Singh said the bodies had been sent for post-mortem examination. Police have initiated further legal proceedings, while the exact cause of the collision is being investigated.

Police personnel reached the spot after passersby alerted them. They rescued the passengers and shifted the injured to a community health centre in ambulances. A passenger, Dharmendra, a resident of Kamalpura village in Muzaffarpur's Paroo area, said the bus had left Anand Vihar in Delhi at 1:30pm on Friday. "Most of us were asleep when we felt a sudden jolt around 4:30 am. Several passengers fell from their seats and there was panic and screaming inside the bus. When we got out, we saw that the left side of the bus had been badly hit," he said.

The accident occurred barely 3 km from Tamkuhi Raj, where several passengers were scheduled to get off. Some were standing near the entrance in anticipation of reaching their destination.

Eight-year-old girl raped, murdered in Bulandshahr

LUCKNOW: An eight-year-old girl was allegedly raped and murdered in Bulandshahr district on Friday by a man known to her family, who lured her out of her house on the pretext of buying her golgappas. The accused allegedly took her to an isolated plot around 500 metres from her home, sexually assaulted her and bludgeoned her to death with an iron rod before fleeing.

Additional superintendent of police (ASP) Abhishek Pratap Ajay said police launched an immediate search operation after receiving information about the girl's disappearance. Her body was later recovered, bearing injury marks on the head.

He said a case has been registered at Sikandrabad police station on the basis of a complaint under Sections 103(1) (murder) and 238 (causing disappearance of evidence) of the Bharatiya Nyaya Sanhita (BNS).

The incident occurred under the jurisdiction of the Industrial Area police station, around 30 km from the district headquarters. The accused, Ravi Kashyap, worked at the same factory as the girl's father. Both families lived in rented accommodation in the same building.

The girl went missing on Friday afternoon. When she did not return home, her family members searched for her and alerted the police. Her body was recovered around 2 am on Saturday during the search operation.

The victim's family, originally from Badaun district, took her body to their native village for the last rites after the post-mortem examination.

ASP Abhishek Pratap Ajay said the accused hails from Tariyan village under Chhibramau police station in Kannauj district.

BISMILLAH KHAN'S FAMILY DEMOLISHING ANCESTRAL HOME FOR MAKEOVER, CLARIFIES VDA

HT Correspondent
letters@htlive.com

VARANASI: Amid questions being raised on social media over the demolition of the ancestral home of shehnai maestro Ustad Bismillah Khan in Varanasi, the Varanasi Development Authority (VDA) has clarified that the structure is being demolished by his family as part of a renovation project. The family also plans to set up a museum dedicated to the Bharat Ratna awardee at the site, the authority said on Saturday.

The VDA issued an inquiry report following complaints and queries on social media. According to the authority, the demolition is not the result of any government action but is being carried out by the Bismillah Khan's family.

VDA secretary Ved Prakash Mishra said an inquiry was conducted following complaints received through social media platforms, including X and Facebook. The inquiry revealed that the property, located at house number CK 46/63, Bhikhashah Gali, Sarai Hadha, Chowk, belongs to Md Sibtain, grandson of Ustad Bismillah Khan and son of the late Mahtab Hussain.

Spread over approximately 500 square feet, the ground-plus-one structure had become old and dilapidated. The family members are demolishing it to facilitate renovation and new construction, Mishra said.

He added that the family intends to establish a museum dedicated to Ustad Bismillah Khan at the site after reconstruction to help preserve the maestro's legacy and the cultural heritage associated with the shehnai.

Mishra clarified that the demolition is being carried out solely by the family, with neither the VDA nor the district administration having any role in the process.

Temple donation row: UP Cong chief questions handling of case

HT Correspondent
letters@htlive.com

LUCKNOW : Uttar Pradesh Congress president Aradhana Mishra on Saturday questioned the state government's handling of the alleged theft of donations at Ram temple in Ayodhya, alleging that the government was indirectly protecting those involved.

"Why has there been an attempt, from the very first day, to shield those responsible for the sin of stealing these donations and offerings. Silence of PM Narendra Modi and chief minister Yogi Adityanath over the issue is serious. Is the government protecting those responsible?. In fact, the government should go for an independent probe into the matter that concerns crores of devotees," she said in a statement on Saturday.

"All India Congress Committee general secretary (communications), Jairam Ramesh, has posed three serious questions to the BJP government regarding the theft of donations. In its attempt to cover up the theft, the government's own statements have now become the source of further questioning," Mishra claimed.

She also raised questions over the constitution of two Special Investigation Teams (SITs) and the manner in which their reports were handled. She said the first three-member SIT was constituted by the Uttar Pradesh government on June 13, at the request of the trust, and submitted its preliminary report on June 23.

"First SIT report was discussed at a Trust meeting on July 6. Subsequently, Trust treasurer Govind Dev Giri addressed a press conference, asserting that no one within the Trust had committed a breach of trust and publicly expressing confidence in the character and work of Champat Rai. How an investigation report reached the Trust's office-bearers when their own roles and statements were under scrutiny," she asked.

"Donations and offerings are a matter of national faith and not anyone's private estate. An account must be provided for the funds entrusted by millions of devotees. The full truth regarding the theft of these donations and offerings must be brought before the nation and those responsible must be punished in accordance with the law."

YOUR SYMPATHIES ARE WITH BABUR: TAWDE ATTACKS RAHUL GANDHI

LUCKNOW: Bharatiya Janata Party (BJP) national general secretary and party's Uttar Pradesh in-charge Vinod Tawde on Saturday targeted Congress leader Rahul Gandhi and his family over their alleged failure to visit Ayodhya for darshan of Ram Lalla.

In a post on X (formerly Twitter), Vinod Tawde alleged that neither Rahul Gandhi nor any member of his family had ever visited Ayodhya to offer prayers to Ram Lalla, claiming that their sympathies were with invaders like Babur.

Questioning what he termed the selective secularism of the Opposition, Bharatiya Janata Party national general secretary asked why those who expressed concern over the demolition of Babri Masjid remained silent when the religious sentiments of the Hindu community were allegedly hurt.

Missing 5-yr-old girl found murdered

HT Correspondent

LUCKNOW: A five-year-old girl who went missing while playing outside her house in Ramgarh Shahabad area on Wednesday morning was found murdered in bushes near Lakkhi Bagh on Thursday. A minor boy from the same village has been accused of luring her away with a lollipop before taking her towards a forested area, where she was allegedly strangled to death, Rampur superintendent of police (SP) Anil Kumar Singh informed on Saturday.

The SP said the child had been strangled and injuries were found on her private parts, raising suspicion of sexual assault or an attempt to sexually assault her. Samples were collected during the post-mortem examination and slides prepared for forensic analysis to establish whether rape had taken place, he added.

According to police, CCTV footage from the area showed the minor boy taking the girl towards the forest after buying her a lollipop from a grocery shop. The footage provided a crucial lead in the investigation.

During questioning, the boy allegedly narrated details of the incident, police said, adding that all aspects of the case were being examined.

The girl was playing outside her house on Wednesday morning when she suddenly went missing. Her father subsequently approached Shahabad police station, following which a missing-person report was registered and a search operation launched. Circle officer Devki Nandan also visited the village and spoke to the family as police intensified efforts to locate the child.

चीन सीमा तक टैंक भी पहुंचाएगा 'गजराज'

उपलब्धि

नई दिल्ली, एजेंसी। भारतीय वायुसेना ने पूर्वी लद्दाख में चीन सीमा के करीब अपनी सामरिक और भारी एयरलिफ्ट क्षमताओं को प्रदर्शित करते हुए इतिहास रचा है। वायुसेना के चार इंजनों वाले भारी परिवहन विमान आईएल-76एमडी (जिसे 'गजराज' के नाम से जाना जाता है) ने न्योमा एयरफील्ड में 13629 फीट की ऊंचाई पर लैंडिंग की है। 'गजराज' की सामान ढोने की क्षमता इतनी अधिक है कि इसमें सीधे टी-72 मुख्य युद्धक टैंक को लोड करके ले जाया जा सकता है।

सैनिकों का अग्रिम मोर्चों तक पहुंचना आसान होगा

पूर्वी लद्दाख में सिंधु नदी के तट पर स्थित न्योमा एयरबेस, वास्तविक नियंत्रण रेखा (एलएसी) से 25 किलोमीटर दूर है। लगभग 2.7 किलोमीटर लंबे इस रनवे पर 'गजराज' की लैंडिंग से भारतीय सेना के लिए भारी टैंकों, उपकरणों और सैनिकों को सीधे अग्रिम मोर्चे तक पहुंचाना अब बेहद आसान हो जाएगा।

पूर्वी लद्दाख में न्योमा एयर फील्ड पर सफलतापूर्वक उतरा आईएल-76एमडी।

पिछले साल नवंबर में शुरू हुआ था एयरबेस

पूर्वी लद्दाख में स्थित न्योमा एयरबेस सीमाई सुरक्षा और त्वरित रीन्य तैनाती के लिहाज से अत्यंत महत्वपूर्ण है। इसे नवंबर, 2025 में चालू किया गया था। यह लड़ाकू विमानों, हेलीकॉप्टरों और भारी परिवहन विमानों के निर्बाध संचालन में सक्षम है। न्योमा लद्दाख क्षेत्र में भारतीय वायु सेना का चौथा बड़ा एयरबेस बन गया है। इससे पहले लेह, कारगिल (लगभग 10,500 फीट) और थोइस में वायु सेना के अड्डे सक्रिय हैं।

रूस में बना है विमान

आईएल-76एमडी रूस में बना चार इंजनों वाला एक भारी परिवहन विमान है। यह भारतीय वायुसेना के लिए दूरदराज और रणनीतिक रूप से महत्वपूर्ण स्थानों तक कर्मियों और जरूरी सामान को पहुंचाने में अहम भूमिका निभाता है।

दार्जिलिंग के बागडोगरा एयरफोर्स स्टेशन पर वायु सेना के अधिकारियों को मिठाइयां खिलाते रक्षा मंत्री राजनाथ सिंह। ● पेज

बागडोगरा,एजेंसी। रक्षा मंत्री राजनाथ सिंह ने शनिवार को कहा कि दो साल का अतिरिक्त कार्यकाल पूरा करने के बाद सभी अग्निवीर नियमित सैनिकों के रूप में भर्ती होने के पात्र होंगे। हालांकि, इसके लिए उनकी सहमति और चयन के निर्धारित मानदंडों को पूरा करना जरूरी होगा।

पश्चिम बंगाल के बागडोगरा वायुसेना स्टेशन पर जवानों के साथ बातचीत के दौरान रक्षा मंत्री ने यह बात कही। राजनाथ सिंह ने कहा कि अब युद्ध केवल सीमा पार गोलीबारी तक ही सीमित नहीं रह गया है, बल्कि इसमें साइबर हमले, ड्रोन के झुंड, छद्म युद्ध और सूचना अभियान भी शामिल हो गए हैं।

जवानों को संबोधित करते हुए सिंह ने कहा कि दुश्मन अब सीधे टकराव में उलझे बिना हमारी कमजोरियों का फायदा उठाने की कोशिश कर रहे हैं। इस दौरान चेतावनी दी कि सोशल मीडिया के जरिये फैलाई जा रही भ्रामक जानकारियों का इस्तेमाल स्थानीय लोगों और सैनिकों के मन में संदेह पैदा करने के लिए किया जा रहा है। रक्षा मंत्री ने कहा कि हमें ऐसी किसी साजिश को नाकाम करने के लिए एकजुट होकर काम करना होगा।
