Govt to ensure equal opportunities for youths, says UP CM

▶Continued from P 1

Declaring that the state's 25 crore residents were his family, the CM said govt was committed to ensuring equal opportunities for youths across districts and social backgrounds.

Taking a swipe at previous govts, Yogi alleged that recruitment processes in the past were riddled with irregularities and manipulation. He said there was a time when one person applied for a govt post, another appeared for the recruitment examination and a third eventually received the appointment letter. Recruitment had become synonymous with corruption, with a "Saifai syndicate" operating at the cost of deserving candidates, he alleged.

To highlight the transparency of the current recruitment process, the CM interacted with newly appointed personnel and asked them three questions: whether they had needed political recommendations to secure the job, whether anyone had demanded money for their selection, and whether they had faced intimidation or pressure during recruitment. He maintained that such practices were no longer possible under the present govt and that selections were free from political interference.

CM Yogi gives appointment letters to newly selected S-Is and platoon commanders of UP Police under the 'Mission Rozgar' initiative in Lucknow on Friday

Yogi claimed that several appointments made between 2003 and 2017 had been embroiled in disputes and litigation, with some cases still pending in courts.

Govt allows overseas listing of convertible debentures

The changes would provide more flexibility for Indian companies to raise funds from overseas capital markets

New Delhi: Providing more leeway for raising funds, Indian companies can now list their convertible debentures and preference shares apart from equity shares on international exchanges in the GIFT City, with the government easing the norms.

Also, unlisted public companies as well as those having a negative net worth have been permitted for overseas listing, subject to certain conditions.

The corporate affairs ministry, on November 3, notified the Companies (Listing of Equity Instruments in Permissible Jurisdictions) Amendment Rules, 2026. The changes would provide more flexibility for Indian companies to raise funds from overseas capital markets.

Anjali Malhotra, Associate Partner -- Regulatory at consultancy Nangia Global said the amendments expand the scope of eligible securities by replacing the term "equity shares" with "equity instruments".

Now, equity shares, convertible debentures and preference shares are covered under the overseas listing framework.

Malhotra said the amendment aligns the ministry's framework with the existing IFSCA Listing Regulations and provides companies with greater flexibility in accessing international capital markets.

In another significant move, companies with a negative net worth can pursue overseas listings, provided at least 75 per cent of the net offer is allotted to qualified institutional buyers (QIBs).

This would protect interest of investing public where QIBs are committed for investment, Malhotra said.

According to Malhotra, the amended rules also expressly allow unlisted public companies operating within IFSC jurisdictions and complying with the applicable IFSCA framework to undertake overseas listings.

In January 2024, the government permitted the direct listing of securities by Indian companies on international exchanges of GIFT- IFSC to boost foreign investments.

India International Exchange and NSE International Exchange at the International Financial Services Centre (IFSC) in the GIFT City in Gujarat have been prescribed as permitted stock exchanges. These bourses are under the regulatory supervision of the International Financial Services Centres Authority (IFSCA). Amit Baid, Head of Tax at consultancy BTG Advaya said the latest amendments could make GIFT City an attractive listing destination for high-growth startups and capital-intensive businesses that need substantial funding before achieving profitability.

"The regulatory door has been opened, but whether this translates into meaningful capital flows will depend on how quickly the FEMA and tax frameworks catch up, so that investors have the same certainty on exit and taxation as they do on entry," Baid said.

FEMA refers to Foreign Exchange Management Act. PTI RAM TRB

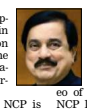

New Delhi, Nov 6 (PTI) Providing more leeway for raising funds, Indian companies can now list their convertible debentures and preference shares apart from equity shares on international exchanges in the GIFT City, with the government easing the norms.

Pawar-Patel video, Tatkare remark revive NCP merger buzz

Mumbai: Amid a viral video of Praful Patel visiting NCP (SP) chief Sharad Pawar at a hospital and discussing a possible meeting after November 10, ruling NCP's Maharashtra president Sunil Tatkare said the merger of two factions would have happened in February this year if Ajit Pawar were alive.

The two developments once again sparked speculation about the merger of the two factions of the Nationalist Congress Party (NCP).

While the ruling NCP is currently headed by Maharashtra Deputy Chief Minister Sunetra Pawar, the NCP (SP), which is part of the Opposition Maha Vikas Aghadi (MVA) alliance, is led by Sharad Pawar.

Talking to reporters, Tatkare said the merger of the two NCP factions would have been formalised on February 12 had Ajit Pawar been alive.

Ajit Pawar, who was deputy chief minister of the state and NCP president, died on January 28 in a plane crash at his hometown Baramati in Pune district. Following his death, his wife Sunetra Pawar took over as the chief of the NCP and became the deputy CM.

Tatkare said, "Ajitdada had told me about the merger discussions and how they would be finalised."

His statement comes amid a viral video of Praful Patel, a senior NCP leader, meeting Sharad Pawar at Breach Candy Hospital in Mumbai, where the latter is admitted, and discussing a possible meeting after November 10.

Sharad Pawar, 85, is currently undergoing treatment at the hospital for a chest infection. Patel met the veteran leader at the hospital on Thursday night. PTI

Banking facilitator accused of duping customers of ₹50 lakh

TIMES NEWS NETWORK

Bahraich: A business correspondent (BC) operator associated with Bank of India in Bahraich's Salar Ganj area has been accused of allegedly defrauding customers of nearly ₹50 lakh by collecting money in the name of bank deposits and fixed deposits (FDs) before shutting down his centre and disappearing.

The accused, identified as Shamshad, operated a BC centre that residents regularly used for banking transactions, including cash deposits and withdrawals. According to complaints, , customers handed over money to the operator believing it would be deposited into their bank accounts or invested in fixed deposits. However, many later discovered that the transactions had never been processed.

Victims alleged that Shamshad issued receipts for deposits without transferring the money to the concerned accounts.

The suspected fraud came to light after customers found the BC centre locked for several days.

Among the complainants, Meena, a resident of Salar Ganj, alleged that she had handed over ₹14 lakh to Shamshad for a fixed deposit. She claimed that neither the FD was opened nor was the money returned. Other account holders reported similar irregularities involving deposits that never reached their accounts.

Dargah police station SHO Amitendra Singh said a probe is on after complaints received.

Additional superintendent of police (City) Ayush Vikram Singh described the matter as serious and said assistance from the bank would be sought to verify records. Police said appropriate action would be taken against those found responsible after the investigation is completed.

Sexual assault not be ruled out, say cops

▶Continued from P 1

Superintendent of police Raveena Tyagi constituted five police teams and deployed a separate surveillance unit to trace the child and the suspect.

During the operation, the girl's body was recovered from the well. Police later received information that the suspect was near Pokhara village and moved to apprehend him. According to police, when officers attempted to surround and arrest him, he tried to flee, leading to an encounter in which he sustained a bullet injury to his leg. He was taken into custody and arrested after preliminary medical treatment. Tyagi said the possibility of sexual assault could not be ruled out and that investigators believe the girl was killed and her body disposed of to hide the crime. The body has been sent for postmortem examination by a panel of doctors, with videography, to determine the cause of death and assess signs of sexual assault. Police said the accused has prior cases registered against him under the NDPS Act and for theft. Further investigation is underway.

Killed: Three women workers were killed, and 20 others sustained severe injuries when their van overturned and collided with a government bus at Payyanur on the Old Mahabalipuram Road here on Friday, police said. The incident took place when a tourist van was transporting employees from Mamallapuram to a company in Kelambakkam. According to the Mamallapuram police, the van driver lost control of the vehicle after a cow suddenly crossed its path. PTI

SPOTLIGHT

Beyond the podium: A sporting renaissance in Gorakhpur

Sports Fiesta 2026 brought together young athletes from two campuses, celebrating discipline, teamwork and the spirit of healthy competition

The true measure of an educational institution extends beyond academic achievements to the opportunities it creates for students to discover their potential. Recognising that physical fitness, competitive sports and holistic development are essential to shaping well-rounded individuals, The Pillars Group of Institutions is strengthening its commitment to making sports an integral part of the educational experience.

This vision came alive at Sports Fiesta 2026, the group's annual sporting extravaganza, jointly organised by The Pillars Public School, Civil Lines, and The Pillars Siktaur at Syed Modi Railway Stadium on November 6. Bringing together students from both campuses, the event was a celebration of athletic talent, determination and the importance of sporting culture in school education.

The choice of a prominent sporting venue reflected the group's endeavour to take school-level competitions beyond conventional campus boundaries and provide young participants with an opportunity to experience a professional sporting environment. The scale and organisation of the event also highlighted the importance of creating platforms where students can test their abilities, develop confidence and experience the spirit of healthy competition.

A major highlight was the presence of Olympian, Arjuna Awardee and international medallist Priyanka Goswami, whose participation added considerable distinction to the occasion. She inaugurated the proceedings by lighting the ceremonial torch, setting the tone for a day dedicated to sporting enthusiasm and achievement. Appreciating the schools' initiative and their commitment to encouraging sports among students, she emphasised the value of providing young talent with opportunities to pursue athletics.

Her own sporting journey stands as an inspiring example of the perseverance, discipline and mental strength required to excel at the highest level. For the young participants, her presence offered an opportunity to connect with the achievements of an accomplished sportsperson and recognise the possibilities that dedication and consistent effort can create.

The philosophy behind Sports Fiesta is closely aligned with the group's larger educational vision. RP Shahi, MD, formerly of the Indian Civil Services, and Dr Kirti Shahi, mentor, PhD in Philosophy, bring an emphasis on character-building, intellectual growth and institutional values. Ishan Rana, assistant director, an alumnus of IIT Delhi and Cambridge University, contributes contemporary perspectives on educational development, while Mahima Karol Rana is also associated with the group's collective vision.

Together, this approach reflects the belief that education must nurture individuals who are not only academically capable but also physically resilient, confident and socially responsible. Sporting activities play a significant role in this process by teaching students teamwork, leadership, discipline, perseverance and the ability to handle both success and setbacks.

By bringing together students from both campuses, the event celebrated athletic talent, determination and the importance of sporting culture in education. It provided young participants with an opportunity to showcase their abilities, engage in healthy competition

The participation of distinguished personalities from Gorakhpur further underlined the community's engagement with the initiative. Such events also strengthen the connection between educational institutions, sporting achievers and the wider community, creating an environment in which young talent receives encouragement and recognition.

For The Pillars Group of Institutions, Sports Fiesta 2026 represents more than an annual sporting celebration. It is part of a continuing endeavour to establish a culture where academic distinction and athletic achievement complement each other. Through initiatives across its Civil Lines and Siktaur campuses, the Group is working towards an educational environment that prepares students to pursue excellence both inside and outside the classroom.
